

## REQUEST FOR TEMA HAZARDOUS MATERIALS SPECIALIST CERTIFICATION

The curriculum established for a Hazardous Materials Technician Certification program is based on training standards developed by the Tennessee Emergency Management Agency utilizing OSHA requirements and NFPA 472 Standards for Hazardous Materials Technicians. The Certification criteria are based on a series of courses offered by TEMA. These courses are comprised of National Fire Academy courses, Federal Emergency Management Agency, Federal Office of Homeland Security, and courses developed by TEMA. These training courses require demonstration of competencies through written examinations, hands-on demonstrations, field scenarios and a final full-scale exercise.

### Certification Checklist:

- An application completely filled out listing required courses completed, by name, number and date.
- A copy of the required prerequisite Course Certificate(s) is attached to the application.
- Signature of the department training officer, or department head.
- Signature of applicant.
- Email or Send Disk with Digital Color Photo with: Last Name, First Name, Middle Initial
- Application and attachments submitted to the TEMA Regional Office for verification and review.
